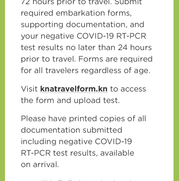
COVID-19

TRAVEL REQUIREMENTS

PHASE 1 REOPENING | OCTOBER 31

In Phase 1 of the reopening beginning October 31st, St. Kitts and Nevis will designate visitors into three categories:

- International Travelers
  Coming from a country or territory inside the Caribbean, and/or the U.S., Canada, UK, Europe, Africa, and South America.
- Returning Nationals & Residents
  Citizens and passport holders of St. Kitts and Nevis, Residents (proof of residency stamp in passport), Caribbean Single Market Economy (CSME) certificate holders and Work Permit Holders.
- Private Vessels
  Travelers arriving by sea (e.g. yachts)



Submit Required Forms & Upload Test

Complete a COVID-19 RT-PCR test from a CLIA/CDC/UKAS approved lab accredited with ISO/IEO 17025 standards taken 72 hours prior to travel. Submit required embarkation forms, supporting documentation, and your negative COVID-19 RT-PCR test results no later than 24 hours prior to travel. Forms are required for all travelers regardless of age.

Visit **knatravelform.kn** to access the form and upload test.

Please have printed copies of all documentation submitted including negative COVID-19 RT-PCR test results, available on arrival.

TIP: To find a testing location near you, visit ***testfortravel.com.***

Follow Health & Safety Guidelines

For your health and safety, you are required to wear a face mask, practice proper hand sanitizing and physical distancing.

Present Documents

Be prepared to present printed copies of all forms, including the negative RT-PCR test, that was submitted and approved before travel.

Health Screening Questions

Upon your arrival, **you will have your temperature checked** and asked to answer a series of **health screening questions**, including health and travel history.

Download the SKN COVID-19 contact tracing mobile app

Only available on island after medical screening at the airport. (To be used for length of travel.)

International Travelers

Following the airport screening, travelers will be able to check-in to one of seven approved hotels for international travelers:

- Four Seasons
- Golden Rock Inn
- Koi Resort, Curio Collection by Hilton
- Marriott Vacation Beach Club
- Paradise Beach Hotel
- Park Hyatt
- Royal St. Kitts Hotel
- St. Kitts Marriott Resort

The following guidelines also apply:

1-7 days: they are free to move about the hotel property and partake in hotel activities.

Travelers departing St. Kitts and Nevis before 7 days are required to have a RT-PCR test done (Nationals/Residents USD 100 and non-Nationals/non-Residents USD 150).

8-14 days: visitors will undergo a RT-PCR test (USD 100 Nationals/Residents and USD 150 non-Nationals/non-Residents) on day 7. If travelers' test are negative on day 8 they are allowed, through the hotel's tour desk, to book select excursions and access select destination sites (list to be announced later).

14 days or longer: visitors will need to undergo a RT-PCR test (USD 100 Nationals/Residents and USD 150 non-Nationals/non-Residents) on day 14, and if they test negative the traveler will be allowed to integrate into St. Kitts and Nevis.

If the visitor's stay is less than 14 days, they will be asked to take a RT-PCR test before departing St. Kitts & Nevis. The test must be negative.

Where to Stay GUIDELINES

Returning Nationals & Residents

Caribbean Single Market Economy (CSME) certificate holders and Work Permit Holder

Following the airport screening, travelers will be allowed entry into the Federation and transported to Government approved accommodations, where they will stay at their cost for 14-days in quarantine. The cost for quarantine at the Government facility at OTI is USD 500.00, at Potworks it is USD 400.00, and the cost for each COVID-19 test is USD 100.00. Returning Nationals and Residents may also opt to stay in pre-approved quarantine housing at their own cost, including appropriate security.

The Government approved accommodations are:

- **Bird Rock Apartment Complex**
- **Ocean Terrace Inn (OTI)**
- **Oualie Beach**
- **Potworks**
- **Royals St. Kitts Hotel**

Any traveler in this category who wishes to stay in one of the seven (7) approved hotels for "Vacation in Place", are required to do the following:

1-7 days: they are free to move about the hotel property and partake in hotel activities.

8-14 days: visitors will undergo a RT-PCR test (100 USD Nationals/Residents) on day 7. If travelers' tests are negative on day 8, they are allowed, through the hotel's tour desk, to book select excursions and access select destination sites (list to be announced later).

14 days or longer: visitors will need to undergo a RT-PCR test (100 USD Nationals/Residents) on day 14, and if their tests are negative, they will be allowed to integrate into St. Kitts and Nevis.

Where to Stay GUIDELINES

Travelers Arriving by Sea

Travelers arriving via the country's seaports must meet the following requirements:

- Complete the Travel Authorization Form on the national website **(knatraveloffm.kn)**.
- The vessel will be required to dock at one of six ports, submit the maritime declaration of health to the port health officer and interact with other border agencies. The six ports are: The Deepwater Port, Port Zante, Christophe Harbor, New Guinea, Charlestown Pier and Long Point Port.
- These travelers will be processed accordingly and will vacation in place or quarantine as previously outlined above. The prescribed quarantine time will be determined by the vessels or ships transit time from the last of port of call to their arrival to the Federation. Transit time must be supported by official documentation and sail clear advance notification system.
- Yachts and pleasure over 80 feet must quarantine at Christophe Harbour in St. Kitts. Yachts and pleasure vessels less than 80 feet are not allowed to anchor at this time.

Island EXPERIENCE

Health & Safety

For your health & safety, please ensure that you:

- **"PUT ON YOUR FACE"**
  Wear your mask when social distancing is not possible.
- **"STAY IN YOUR LANE"**
  Practice social distancing.
- **"HANITIZE"**
  Wash or sanitize your hands every 30 minutes.
- Follow established health & safety protocols on all island tours.

Report Symptoms

Report any COVID-19 symptoms to any government official or your hotel manager. You can call the emergency health hotline at 311.
